Declaration of Interests Statement

Name: Anna Maria Geretti

Position: Professor of Infectious Diseases, University of Rome Tor Vergata, Rome, Italy and Visiting Professor of Infectious Diseases, King's College London, London, UK

I have read and understood the [BMJ's policy on declaration of interests](#) and declare the following:

I receive personal payments related to my role of Expert Scientist at Roche Pharma Research & Early Development, which is a research role applied to early drug development (up to Phase 2) not linked to any currently marketed drug. I consult for other Pharma companies on matters mainly pertinent to HIV, including Gilead, ViiV and GSK. I chair the British HIV Association (BHIVA) writing panel for guidelines on immunisation in adults living with HIV. I am a member of the British Association for Sexual Health and HIV (BASHH) Education Committee. I am Senior Research Consultant for the EuResist Network, which receives grants from various pharmaceutical companies. I currently hold a research grant with ViiV.
